PREFACE

The State Election Commission is the Constitutional body responsible for conducting elections to local bodies in the State, serves free & fair elections which are the foundation of a healthy democracy. Conduct of elections to Panchayati Raj Institutions is a gigantic task as such elections involve making arrangements for 3.26 crore electors, for elections to about 1.35 Lac seats of Panchas, Sarpanchas, Member, Chairpersons and Vice Chairpersons of 33 Zila Parishad. 295 Panchyat Samities and 9894 Gram Panchayats.

I am pleased that State Elections Commission has prepared a detailed report of these elections held in January and February, 2015 in the three volumes. The reports focusing on various aspects such as reservation of seats, sex and category wise elected persons, their educational qualification including important information regarding the women elected candidates on un-reserved seats and the list of elected Sarpanchs.

I would like to put on record my appreciation for the assistance rendered for successful organization of the elections and also for bringing out the report by the officials and other staff of State Election Commission.

This third volume deals with the Elections to the office of Sarpanch. I hope that this publication will be useful to all, especially political parties, policy planners, scholars, organizations and institutions etc.

The Commission would welcome suggestions for improving the quality and coverage of the information and process content.
